Introduction

As it has become clear to more and more people that humans are not the only intelligent beings in God's infinite creation, the need has arisen for an overview of the extraterrestrial civilizations that are currently contacting Earth. I have attempted to provide that, describing each civilization, along with its beliefs, characteristics, and reasons for being here.

It is also time for widespread awareness of information that is both ancient and Earthly. Many people are unfamiliar with the profound but hidden spiritual teachings of the Essenes, the Kahunas of Hawaii, Pan and the nature kingdom, the angelic kingdom, the Vedas and Upanishads, the Kabbalah, the Yoga sutras of Patanjali, the Egyptian mysteries, and the Keys of Enoch, even though they are some of the most profound spiritual teachings that exist on this beloved planet. It is my belief that a well-rounded study of all the world's religions, mystery schools, and saints, and masters will accelerate your progress on the path toward self-realization.

All in all, the contents of this book are guaranteed to expand your consciousness and change your perception of reality.

Extraterrestrials and Other Governmental Cover-ups

*Ninety-five percent of all extraterrestrials visiting
our planet are of a positive nature.*

Vywamus

During the past five years I have developed an interest in understanding the nature and extent of extraterrestrial involvement with Planet Earth over the course of history. A thousand books would probably not cover the topic, but I will attempt to provide a brief overview of the subject, as I find it a curious phenomenon that a great many very devoted and spiritual people have very little knowledge about extraterrestrial involvement on Earth.

First of all, God's infinite universe is filled with life. It is the height of egotism to think that humans are the only life form to exist. Extraterrestrials have been visiting Earth since the beginning of time. There were the electrical wars in pre-Lemurian times and later, in Atlantis and Egypt, extraterrestrials visited in great numbers. In Atlantis they helped with crystal technologies and with the building of the great crystal, which was the power source for the entire civilization of Atlantis. Extraterrestrials have come from our galaxy as well as from distant galaxies.

It is important at this point to say that I believe, based on the guidance I have received, that ninety-five percent of all extraterrestrial contact with the humans is of a positive nature. Most of the civilizations are far beyond humanity on technological and spiritual levels. One of the basic laws they follow is that of respecting the free choice of humans and never interfering unless they have been asked for help.

One of the reasons there have been so many sightings of UFOs in recent

years is that the inhabitants of Earth have moved into a fourth-dimensional consciousness, and the planet has moved into sacred status. These are system-wide events. Each of the planets of this solar system could be likened to a chakra of the Sun or of the being that ensouls the solar system, Helios. When one chakra goes through a major transformation it affects all the other chakras. The extraterrestrials are aware of this transformation the Earth is going through and are very interested in watching it and in helping humanity to move into the new age. Many of the great advancements in Earth's past evolution have occurred because of extraterrestrial help.

One important thing to understand is that not all extraterrestrials have a human appearance. This particular kind of physical body is called the Adam Kadmon type; there are many other types of bodies that God has created.

Also let it be remembered that in past lives when humans have incarnated on other planets, they have inhabited some of these bodies themselves. Humans need to get beyond their egotistical attachment to this particular form and realize that humanity is part of a galactic, universal, and cosmic family of intelligent life forms — and most of them are far more advanced than this civilization.

One of the reasons extraterrestrials are not more overt in their visits to Earth — why they don't just make a landing on the White House lawn in full public view — is that Earthlings have been too warlike. Despite technological advancements, Earth has been a spiritually backward planet.

The Negative Extraterrestrials and the Dark Brotherhood

This brings me to the subject of the negative extraterrestrials. As I have already mentioned, at least 95% of all the extraterrestrial involvement on this planet is of a very positive nature. The 5% that is negative, though, is very negative. It is part of my purpose in writing this chapter to make you aware of what is actually going on behind the scenes. The information in this chapter has been confirmed over and over again by both Earthly and spiritual sources. Some of the information might even shock you. However, I ask you to keep reading and to keep an open mind, for I believe it is absolutely imperative that the people of the United States and of the world wake up.

Negative extraterrestrials were involved in the fall of Atlantis and they have been trying to control this planet and its people since the beginning of time. In God's infinite universe there are always two forces: those who serve the Law of One and those who serve more egotistical, selfish, fear-based principles. This is true for inhabitants of Earth; it is true for extraterrestrials.

By becoming aware of these egotistical factions humans are less likely

to be controlled by them. If you are aware of what is really happening you can become even more empowered than you already are. You cannot solve a problem until you know what the problem is.

The problem, in its essence, probably goes back to the Dark Brotherhood. The Dark Brotherhood is an organization much like the Great White Brotherhood of the Spiritual Hierarchy except that these beings are working for a plan that is antithetical to God's divine plan. Both spiritually and on the material plane, these beings operate according to a plan that serves selfish interests rather than being for the good of everyone.

This dark force is nothing to fear as long as you own your power and don't walk around on automatic pilot; then they cannot affect you or harm you in any way. The problem is that a great many souls on this planet don't own their power and aren't attuned spiritually. They take drugs or drink too much alcohol or don't realize who they are and why they are here. Their lives are focused on hedonism and materialism and all these things leave them vulnerable to the influences of dark forces.

The negative extraterrestrials are obviously influenced by this dark, separative, egotistical, fear-based part of themselves. They have evolved technologically, which is obvious from their spacecraft, but they have not evolved spiritually. They are forcing their will upon the people of Planet Earth. They are breaking what *Star Trek* calls the Prime Directive — non-interference and respect for free choice.

The Secret Government

It is necessary to describe another group that continues to play a pivotal role in this drama, a group of men on this planet who make up the secret government, or the Illuminati.

There is a group of men who, because of their lack of attunement to their own souls, have, in a sense, been taken over by the Dark Brotherhood. These men have been overcome by selfishness, greed, and power, and they are attempting to control the United States and the world to suit their own deluded, materialistic values. These men have no respect for the United States government or any other government on this planet. Their basic game is to control the world in order to serve their own interests and values, which are clearly selfish to the core. There is an occasional scandal when they are caught, but the world as a whole does not realize the extent of their power and ruthlessness.

Some of the shocking activities attributable to this group are the assassination of John F. Kennedy, the assassination of Robert Kennedy, Watergate, Contragate, Iraqgate, the Savings and Loan debacle, the total control of the banking system, the control of the CIA, and the control of most of the presidents and governments of the United States. The group has financed a

great many of their illegal projects through the CIA by selling drugs. This secret government is known by many names, some of which are the Illuminati, the Trilateral Commission, the Council on Foreign Relations, and the Olympians. They are, in essence, representatives or instruments of the Dark Brotherhood on Earth. A lot of these men have enormous financial wealth and hold positions of great political power.

It is time for the American people to wake up, reclaim their power and take back their government.

The secret government has perpetrated the greatest cover-up in the history of this planet. The most mind-boggling thing of all is that they have been, for the most part, successful.

The Modern History of Extraterrestrial Presence

Awareness of extraterrestrials began in 1936 when Nazi Germany recovered a crashed UFO. They had their top scientists working to copy and understand its technology. When the Allied forces invaded Germany in 1945, this entire project and its technology were discovered, and it sent shock waves through the United States government.

In the 1940s there was a great wave of extraterrestrial activity. The single most important event was probably the Roswell crash, which occurred on July 2, 1947, near Roswell, New Mexico. A UFO crashed and the dead bodies of four aliens were found. The corpses were of a smallish size, with large heads, and the beings were basically reptilian in appearance. This, of course, was an astounding event.

Between 1947 and 1952 the United States government obtained at least sixteen crashed or downed alien craft and sixty-five alien bodies. One live alien was recovered. An alien craft was found on February 13, 1948, on a mesa near Aztec, New Mexico. Another craft was located on March 25, 1949, in White Sands, New Mexico. It was over one hundred feet in diameter, and a total of seventeen alien bodies were recovered from the two craft.

Of even greater significance was the discovery of a large number of human body parts stored within both of these vehicles. This was coded as Ultra Top Secret because of the perceived panic that might occur if the information leaked out to the general public.

During the early years, the United States Air Force and the CIA controlled the secret of the aliens. The CIA was originally formed by presidential executive order for the express purpose of dealing with the alien situation. The live alien who had been found wandering in the desert after the 1947 Roswell crash was designated an extraterrestrial biological entity — Ebe, for short. Ebe had a tendency to lie and would give answers only to questions he desired to answer. Eventually, after the first year, Ebe began to open up. Then in 1951, Ebe became ill. American doctors had no
